## NON SURGICAL FACE LIFT

BOOKING TIME 60 MINS

A relaxing treatment with dramatic results in facial lifting. ## DIAMOND MICRO-DERMABRASION

APPROX TREATMENT TIME 45 MINS

Is your skin looking tired or 'orange peely'? Do you have acne scarring, or enlarged pores? Then Diamond Micro-dermabrasion is your solution.

Skin automatically exfoliates and renews its skin cells; sometimes the body needs a little help to achieve this. Diamond Micro-dermabrasion exfoliates the outer layer of the skin, gently removing tired dead skin cells and vacuuming them away. This action increases the blood supply and promotes the formation of new collagen and elastin, resulting in dramatically rejuvenated skin.

We recommend a course of 5 to 10 treatments, ideally at weekly intervals, followed by a maintenance treatment every four weeks.

## RENEW & RELIFT

## BIO SKIN JETTING

BioSkin Jetting is a natural method of correcting fine lines and wrinkles. This is achieved by activating the area immediately beneath the wrinkle. The skin is stimulated into forming new tissue which contains young collagen and elastin fibres which plump out the wrinkle. A course of 7 treatments at intervals of 10 to 14 days produces long lasting results. The great benefit of this treatment is that no foreign substances are injected into the skin.

## NEW 'Shrink Me Beautiful' INCH LOSS DETOX BODY WRAP

£59

Everyone is looking for a 'quick fix' to look leaner; whether to achieve the perfect poolside look for holidays, to help get into that little black dress for a big night out or simply as part of their on-going beauty regime. We believe we have found the answer for you with our **SHRINK ME BEAUTIFUL** inch loss detox body wrap.

The main ingredient in **SHRINK ME BEAUTIFUL** is Phospholipid, an ingredient widely used in other fat dissolving treatments. Fat cells are naturally broken down by the solution, then absorbed into the lymphatic system and simply excreted from the body. Following your wrap treatment the solution will continue to keep working for up to 72 hours. As the fat cells have been excreted, the only way new fat cells will form afterwards is if you eat and drink excessively or unhealthily.

**SHRINK ME BEAUTIFUL** is totally effortless for you: non-invasive, not messy and totally pain free. Not only will you feel slimmer but you will enjoy a truly relaxing body treatment with a fully trained therapist in comfortable surroundings.

*It's our secret... You could lose up to 2 inches off your waistline!*

# IPL TREATMENTS

FOR WOMEN AND MEN *(often referred to as 'Laser')*

safe ● gentle ● effective

Do you have unwanted hair? Have you ever considered IPL permanent hair reduction?

ELLIPSE SUPERLIGHT is the most advanced IPL treatment on the market. It is clinically proven safe and effective for the permanent reduction of unwanted hair, facial thread veins, sun-damaged skin and age spots.

**BOOKING TIMES VARY ACCORDING TO AREA BEING TREATED.**

An IPL patch test must be performed before your first treatment, redeemable on your first treatment, cost: **£30**

## PERMANENT HAIR REDUCTION

Shaving, waxing, tweezing and hair removal creams have been replaced by hair removal in a flash. Hair contains melanin (colour) which absorbs the IPL light and converts it into heat, destroying the hair root.

**COST PER TREATMENT** (We recommend 6-8 treatments)

FACE		FRONT (WOMEN)		BACK (MEN)	
Upper lip	£50	Stomach centre line	£85	Quarter Back	£110
Chin	£60	Décolleté	£120	Half Back	£140
Upper lip and chin	£90			Three quarter Back	£190
Cheeks	£90	LEGS		Full back	£245
Neck	£80	Full leg	£335

Upper arms	£135	Feet and toes	£70		
Forearms	£135				
Full arm	£175				

## FACIAL THREAD VEINS

Thread veins are small blood vessels near the surface of the skin. Blood contains haemoglobin; this absorbs the IPL light and converts it into heat. The heat destroys the protein in the thread vein walls, resulting in the gradual and safe disappearance of the veins.

We recommend 1 - 4 treatments

COST PER TREATMENT FROM £80

## PIGMENTED LESIONS & SUN SPOTS ON THE FACE OR HANDS

Sun spots contain a substance called melanin. Light from the IPL is attracted and absorbed by the melanin and the energy produced gently breaks it down. Over a period of seven to ten days the sun spots will naturally exfoliate.

We recommend 1 - 4 treatments

COST PER TREATMENT FROM £80

## SKIN REJUVENATION

Uneven pigmentation and redness are tell-tale signs of sun-damaged skin. Light from the IPL is absorbed by melanin in the pigmentation and haemoglobin in the blood, breaking them down and leaving the skin smooth and rejuvenated.

We recommend 1 - 3 treatments

# HANDY TO KNOW ...

## How to find us

We are in Swan Yard, just off Cheap Street and right in the centre of historic Sherborne. The nearest parking is in Old Market Yard, Newland (Pay & Display). Please note that Cheap Street has restricted vehicle access after 11.30am.

## When should I arrive?

Please allow for parking and arrive at least 5 minutes before your appointment time. If you arrive earlier we have a waiting area on the first floor where you can enjoy a complimentary drink and a selection of magazines.

## What if I am late for my appointment?

Arriving late will simply limit the time available for your treatment, thus reducing its effectiveness and your pleasure. Your treatment will need to end on time so that our next consultation is not delayed.

## What if I have special health considerations?

You should notify our reception staff or therapist before booking if you have any health issues such as high blood pressure, allergies or other physical ailments. Please see the Medical Advice page in this brochure.

## What do I need to wear and bring with me?

Wear comfortable clothes, easily removed if required for your treatment. Our therapists use draping techniques to respect your privacy during massage and other beauty treatments and therapies.

If you are having a pedicure please wear open-toed shoes. We do have a shower should you need one and you might find it useful to bring your own hairbrush or comb.

## How do I pay for my treatment?

We accept all major credit cards (with the exception of Amex). We also have our own Margaret Balfour gift vouchers which are accepted for payment of treatments and products.
