

BALFOUR
BEAUTY CENTRE

EST. 1979

A CALM OASIS IN SHERBORNE

Having opened in 1979, the Margaret Balfour Beauty Centre, is Sherborne's longest-running, and largest, beauty salon. We have been in our beautiful Grade II listed building for 25 years, and we are one of a relative handful of Clarins-appointed Gold Salons in the country ~ an accolade that recognises that we provide the highest level of care and service to our clients.

We have seven comfortable private treatment rooms arranged over three floors ~ including one on the ground floor, for those clients unable to use the stairs.

In addition, we have shower facilities, a welcoming reception area and a gorgeous salon shop full of your favourite Clarins products & gift sets.

Whether you are visiting us for skin, body or nail treatments, or for one of our range of complementary therapies, our aim is to give you the most professional treatments available, in a relaxed and nurturing atmosphere. Our team of highly experienced and skilled therapists are here to help you resolve any of your beauty concerns, or indeed just to give you that little bit of pampering you undoubtedly deserve.

You are very welcome to call in to discuss treatments or products, or to have a confidential consultation before you decide on which treatment you would like to book for yourself, or to buy as a gift for someone else.

BOOKINGS & CANCELLATIONS

We appreciate that sometimes you may need to cancel or reschedule your appointment, and kindly request that you provide at least 24 hrs notice, otherwise a charge may be incurred if we are unable to fill your time slot.

Please note, the booking times listed here indicate the length of time estimated for your entire appointment.

'CLARINS FOR ME' CLIENT LOYALTY CARDS

As a Clarins Gold Salon we offer exclusive loyalty cards that give you free Clarins products as a reward for collecting stamps on purchases. We look after your cards for you, and whenever you buy, you gain a stamp for every whole £10 spent with us. It's like getting 20% back in free beauty products! We also give you double points on your card at certain times throughout the year, along with exclusive limited edition Clarins products and gifts when you purchase from us. Follow us on social media, join our mailing list, or ask in the Salon to find out more.
